

Scripture Reading :

"You crown the year with a bountiful harvest; even the hard pathways overflow with abundance."

(Psalm 65:11, NLT)

Parent's Prayer:

Dear Heavenly Father,

As we pause on this New Year's Day to reflect on the past and on the future, we pray that we would be able to enter 2010 with a new expectation of your goodness. Lord, we pray that we would fully cast off all disappointment of the past, and that you would give us a new wind of strength for the coming year. We pray that this would be a year of breakthrough and recovery for \_\_\_\_\_ and for our family. We praise you that in this year of 2010, we can rest in your promise that you will crown it with a bountiful harvest. Even in the hard pathways, we thank you that this year they will overflow with your abundance. Thank you, for the wonderful things that you have ahead for us. Help us in the days when our faith is low to be assured that you will fulfill all your promises to us!

In Jesus' Name,  
Amen
