Father,

You are the God of all wisdom, and we thank you that you pour your wisdom out on your people. Lord, we ask that your wisdom would reign over every decision we need to make. We especially pray that we would have your wisdom in dealing with _____'s needs. Lord, we do recognize that there are many potential paths we could take for _____, but we ask that you would direct our steps in your perfect path for him/her. We thank you for all the progress he/she has made, and we thank you that his/her future is in your hands. (If you have other children, continue...) Father, we also ask for wisdom for how best to parent (name your other children). We thank you that their futures are also in your hands and that you care very deeply for them. Help them in whatever struggles they may be facing, and we pray that today you would reveal to them how important they are to you.

In Jesus' Name,
Amen
