

Monday

Dear Father,

There are days when it seems that much in life is stacked up against us and we become overwhelmed. When we are having days like that, help us to remember, Lord, that you are our witness in heaven—you have seen all we face and not one tear we have shed has gone unnoticed by you. But even greater than this is the fact that you are our advocate. We thank

you that you are for us and that our hope is in you. Help us to remember all the great things you have done on our behalf. Thank you especially for all the progress _____ has made and that you are watching over him/her. We praise you for all the great things you have in store for us in days to come.

In Jesus' Name,

Amen
