Dear Lord,

The _____ family cannot be with [child's name] at every moment. Because of his/her challenges, he/she is particularly vulnerable in situations that they are not able to control. This Psalm says that you protect us day and night, that you keep evil from us, preserve our life, watch us, and guard us. Lord, I ask that in accordance with this promise that you would ensure that in every setting that [child's name] enters, that he/she may have "proper care, no matter where." I ask that you would send your angels to watch over him/her in every circumstance, and that you would surround him/her with individuals who have a heart for those with special needs.

In Jesus' Name,
Amen
