# April 23

Dear Father,  
As I participate in this fast today, I have two focuses that I am bringing before you in prayer. First, Lord, I pray for (name some individuals you know or know of who are dealing with autism). I know that you are powerful and are able to heal. I come to you today and ask that you would send your healing touch in their lives in ways no one has never seen before. Father, I ask that you would touch them with your power, particularly for (name one, two, or several areas of particular

“Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?”  
(Isaiah 58:6, NIV)

concern if you are aware of them). Give their families strategies, wisdom and understanding over every area of their lives. Secondly, I come to you on behalf of all those who are suffering with autism, and those who will be diagnosed in days ahead. Lord, you say that fasting helps to loose the chains of injustice and untie the cords of the yoke and that the oppressed are freed. In Jesus’ mighty Name, I come before you mixing my faith in you with the sacrifice of fasting. I boldly pray that the tide of autism will turn in the lives of individuals and will be wiped from the Earth for future generations! In Jesus’ Name, Amen
