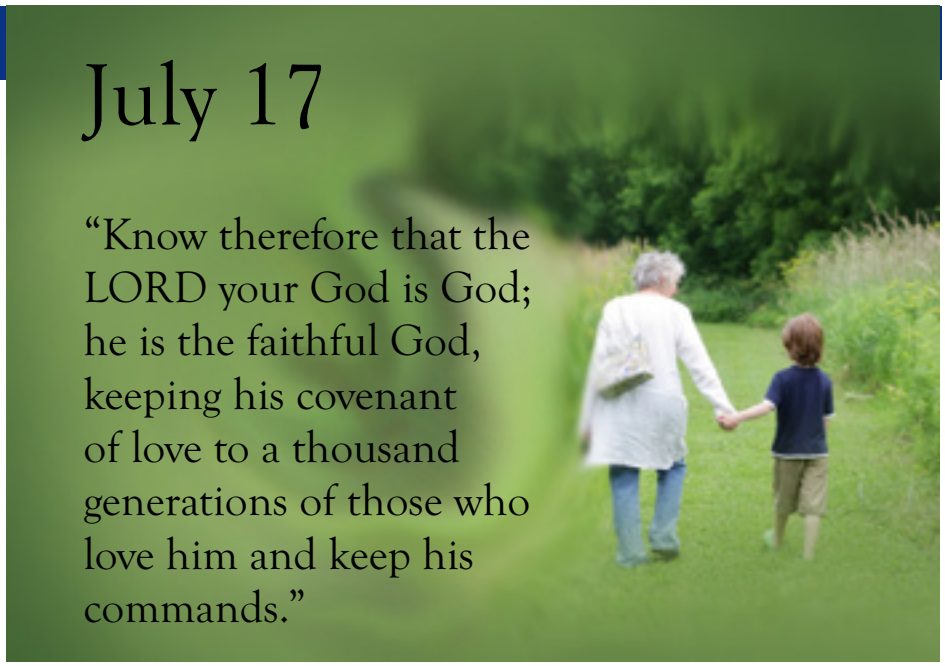
July 17



Father,
I thank you, Lord, that because of my covenant with you through Jesus, I am in a position to come before you and worship you as a mighty God who is able to do all things. I praise you today for your faithfulness toward the _____ family. I thank you, Lord, for every victory they have already seen in [child's name]'s life. I ask that you would continue to move him/her forward into new victories day by day.
Lord, show the _____ family how to remain in a right relationship with you by loving you and keeping your commandments. Thank you that from that relationship you will be faithful to keep your promises to provide for their needs, teach and guide them, and help them move forward and succeed in days ahead.
In Jesus' Name,
Amen
