

Sunday

Dear Lord,

We honor and praise you that you not only provide for the us today, but that you have already stored up that which we will need for tomorrow. Lord, we thank you that you know our needs long before we ask, and we thank you that you have the supply to provide for every physical and spiritual need in our lives. Lord, you know the many expenses we incur due to _____'s condition, in addition to the many other needs we have.

We ask that in this week you would make financial provision for this family. We ask that you would uncover any hidden supply you have for us, and that you would give us creative ways of multiplying what we have. Father, help us to trust in your promise to be our God who provides. Thank you that your promises for us are sure.

In Jesus' Name,

Amen
