# August 10

Dear Heavenly Father,  
We thank you for all that you do for us. We especially thank you for cleansing our conscience and our bodies. We pray that you would cleanse us of all guilt that we may feel because of \_\_\_\_\_'s autism. So often we worry that we may not be doing the right interventions for him/her and sometimes feel guilty. However, as we draw near to you and you show us which path to take, we are set free. So, help

us draw near to you. We pray too that our bodies would be washed so that we would be strong and healthy. We again thank you for the destiny that \_\_\_\_\_ has in you. We pray that your plans for him/her would manifest today. We pray that your anointing would rest on him/her and bring new levels of healing and development to his/her brain. We thank you for each new day, and for the restoration you bring with it.

In Jesus' Name,  
Amen

“Let us draw near to God with a sincere heart in full assurance of faith, having our hearts sprinkled to cleanse us from a guilty conscience and having our bodies washed with pure water.”  
(Hebrews 10:22, NIV)
