December 4

Dear Heavenly Father,
In this season of gift-giving,
may the _____ family always
focus on the greatest gift,
which has already been given
through Christ's life on Earth.
With every gift they prepare,
help them to remember that
because of the gift of Christ,
they are positioned to receive
much more. Thank you for the
peace, joy, love, strength, and
purpose that they have been

given. Thank you for supplying for all of their needs, even in those times when they are unaware
that you are moving on their behalf. May they be comforted and emboldened in this Christmas
season as they open their hands to receive all you have for them.

In Jesus' Name,
Amen
