Monday

Dear Heavenly Father,
In this season of gift-giving, may we always focus on the greatest gift, which has already been given through Christ's life on Earth. With every gift we prepare, help us to remember that because of the gift of Christ, we are positioned to receive much more. Thank you for the peace, joy, love, strength, and purpose that we have been given. Thank you for supplying for all of our needs, even in those times when we are unaware that you are moving on our behalf. May we be comforted and emboldened in this Christmas season as we open our hands to receive all you have for us.
In Jesus' Name,
Amen
